

ILCF awarded the “Qualité FLE” label

In May 2021, the school’s “Qualité Français Langue Étrangère” label was renewed for an additional 4 years by the Interministerial Certification Committee, with a top ranking of 3 stars in all five domains covered by the audit:

- Hosting and accompaniment
- Premises and equipment
- Instructors and their management
- Instruction and training courses
- Management of the institute

The “Qualité FLE” label guarantees the quality of our instruction

The “Qualité Français Langue Étrangère (FLE)” label was created by three French ministries to ensure French language instruction of the finest quality:

- The Ministry for National Education, Higher Education and Research
- The Ministry of Culture and Communication
- The Ministry of Foreign Affairs and International Development

These three French ministries are all members of the [Centre International d’Études Pédagogiques](https://www.ciep.fr/en) (CIEP) committee that awards the label and evaluates the training centres every 4 years.
