# **Culture and Civilization**

Internship(s)

Yes, Optionnal

# Introduction

Learning French also entails **exploring all aspects of French culture**. That is why we offer each semester over 30 courses covering French culture and civilization.

## **Objectives**

Focusing on a diversity of themes, these courses allow students to study specific lexical fields, while also acquiring the keys to comprehending various aspects of French culture:

- · The key periods of French history,
- France's great authors
- Paris, past and present
- · French culture and cuisine
- Fashion and cinema
- Art history
- History of the French press and media

#### **Specificities**

The courses also offer the opportunity to participate in off-site activities to complement and enrich the course content: museum visits, neighbourhood tours, exhibitions, films, etc.

## Admission

## **Application**

### Conditions of applications

- Must be 18 years or older,
- Must have a secondary school (high school) diploma,
- Must take the placement test at ILCF.

# **Program**

Two course semesters:

- Autumn semester, from September to January
- Spring semester, from February to June

The courses are divided into **3-hour modules**.

These modules allow students to learn the French language while also exploring French culture and civilization.
