

Written French, Oral French and Phonetics

Introduction

These modules complement the everyday-French courses. They allow students to improve their French language skills.

Objectives

Strengthening the three key competences: oral French, written French and phonetics.

Specificities

ILCF specialized courses help students prepare for written and oral French-proficiency exams (DELF, DALF and TCF).

Admission

Application

Conditions of applications

- Must be 18 years or older,
- Must have a secondary school (high school) diploma,
- Must take the placement exam at ILCF.

Program

These courses facilitate students' written and oral communication in French. Suited to language levels A1 to C1 of the CEFR.

Phonetics courses (levels A1 to B2 of the CEFR) allow students to improve their capacity to :

- Listen (perception and discrimination in the language lab).
- Speak (production in the language lab).
- Master the international phonetic alphabet (IPA).

Duration

14-week semester sessions

Internship(s)

Yes, Optional

Rhythm
